

COLLECTED NOTES

MARCH 2021

FROM CDCTC'S CO-PRESIDENT:

If the chirping birds, shedding horse hair, and sunshine have anything to say, spring is finally on the way! It's been a cold, dark, snowy winter and I'm sure I'm not alone in dreaming about warm weather and green grass. Time to start looking at area events, making schedules, and planning out our horse-filled year!

They say that "it is from small streams that big rivers rise," and that couldn't be any more true for our club's numerous committees this year. I am so excited about all of the work being done! There have been numerous Zoom meetings, some amazing ideas tossed out, and some awesome events are being planned for 2021.

First off, we have a brand new book club that will be launching its first book discussion this month! If you haven't, go join the CDCT Book Club Facebook page to stay informed. Our Education Committee is also working on hosting a longeing clinic, a few virtual seminar options, and more.

Our stylish Swag Committee is working hard on getting our virtual swag store up and running! They have sent out a survey to see what the most popular items may be and have been exploring options for embroidered saddle pads, bonnets, and polo wraps. Our custom CDCT C4 Belt order is already underway, so make sure *(continued)*

UPCOMING EVENTS

Monthly meeting: 7 PM on March 17th via Zoom - **wear some green!** A link will be sent prior to the meeting.

USDF REGIONAL SCHOOLING SHOW AWARDS PROGRAM

All non-USEF-licensed/non-USDF-recognized competitions are invited to participate in this program. To participate, simply submit the [online application](#) and \$25 participation fee to USDF at least 30 days prior to the start of the competition. The program year will be December 1 through November 30.

An online competition calendar will list participating competitions on the USDF website. Participating competitions must submit a copy of their prize list to USDF no later than 14 days prior to the competition and competition results must be submitted to USDF within 21 days of the end date of the competition.

Feel free to contact [Cristen Brown](#) if you have any questions. Complete [program rules](#) are available on the USDF website.

you get one!

The Combined Training Committee has devised a plan to host, “The Best Tailgate All Year!,” a social distanced, outdoor get together to watch cross country day of LRK3DE. They are also working on setting up a course walking clinic, a gymnastics clinic, and some potential virtual learning opportunities.

The Casual Show Committee is in the beginning stages of planning our annual Keepin’ It Casual Show. CDCT is also planning to host at least one virtual show this spring/early summer so keep an eye out for those details too.

We are hard at work ironing out all the details for our Dressage in Wine Country recognized shows. With the clock ticking, Cazenovia (our currently contracted location) not having any definitive answers, state and USEF pandemic regulations, and an apparent lack of “S” judges in the northeast, we have spent every day of the last few weeks sending emails and making phone calls trying to get all the pieces to add up. We will update everyone once concrete plans are in place but we are finally making headway after hitting many, many dead ends. The show must go on!

I hope this quick rundown of all of the fun things being planned for this year gets you excited! CDCT is an ever-growing, fun club to be a part of and I hope that everyone can find some aspect of it to fall in love and get involved with. Each little piece of the puzzle comes together to make the big picture. As always, keep those great ideas coming, get your friends to join our very stylish, super awesome group, and get out with your horse and enjoy all that extra daylight we’ve gained!

Ride all the ponies and jump all the things!

Shannon
